

Initial Meeting Notice
April 27, 2006

During small group meetings for outpatient treatment centers rules you indicated your willingness to serve on a rules committee comprised of representatives of other types of outpatient treatment centers to review draft rules before a Notice of Proposed Rulemaking is submitted to the Secretary of State. The Department is continuing to work on the draft rules to resolve outstanding issues and meetings have been scheduled to begin the OTC rule committee's review.

The first meeting will be held on May 25, 2006 from 1:30 - 4:30 p.m. in the DLS Training Room in 150 N. 18th Ave., Phoenix, Arizona. (Parking is available in the parking garage directly to the east of the 150 building.)

Attached is the meeting agenda which includes scheduled meeting dates and the OTC rulemaking timeline and the most current OTC draft rules.

Thank you for your continued participation in the rulemaking process. If you are unable to serve on the OTC rules committee or able to serve but unable to attend the first meeting please let me know as soon as possible so that we can ensure representation from all types of outpatient treatment centers.
